Happy Horse

All HAPPY HORSE items meet the CE safety requirements.

Happy Horse articles have been tested before shipment by the world's leading inspection, verification, testing and certification company Intertek on:

EN-71 part 1	Mechanical and physical properties
EN-71 part 2	Flammability of Toys
EN-71 part 3	Migration of certain elements
ASTM-F963	Testing according US standards
AZO dyes	Chemical, synthetic colorants widely used to dye fabrics/ materials. This test is for detection and determination of certain listed aromatic amines derived from AZO colorants.
Phthalates	Also called 'plasticizers', used to make plastics more flexible or resilient and also used as solvents. This test is for detection and determination of certain phthalates which are banned for use.
REACH-SVHC Inspections	Detection and determination of substances in the Candidate list of Substances of Very High Concern (SVHC). Our products are also checked by a QC team at our factory in China and upon arrival at our warehouse in the Netherlands.

Washing instructions:

- I)     Wash separately at 30°C and dry naturally.
 II) SURFACE WASH ONLY

Please note:

This catalogue is for reference only. The actual colours of the products may differ slightly from the original ones.

Special thanks to: Novi, Elin, Jack and Feline. for simply being adorable.

For the use of clothes, accessories and more for photography we would like to thank Babypark (www.babypark.nl).
