## BAMBAM: Because we care

BamBam is more than a brand, BamBam is a lifestyle. Our products are beautiful, sustainable, honest and produced with a lot of love. This is why we use as much organic cotton as possible for the production of our clothing and accessories and use FSC wood for our toys.

BamBam is designed in the Netherlands by a small team of designers. Together we look at the quality and method of production. We use the softest fabrics and the most beautiful materials. A great fit and high wearing comfort are very important to us.

We see it as our mission to deliver products that are not only produced in a sustainable and environmentally friendly way, but that are also good for you and your child.
