Our brand

Nojomojo is a new kids brand based in Sweden, launched in Europe in October 2021. We are a gender-free brand, focused on designing and producing playful, creative and harm-free items for kids.

We are intelligent enough to understand that we can't change the world, but we know that we could change A world.

As a brand, we have impact, and we want to use that impact to do good and inspire the world around us to do so too.

And, of course, to have some fun along the way!

Welcome to our world!

More than an accessory,

⚡ **a creation** ⚡

Build your style!

1. Choose your bracelet.

2. Select your letters and charms.

3. Put them on and express yourself!
